

*Helping you navigate
the road to recovery*

first call provides
Alcohol/Drug Prevention & Recovery

Recovery Advocates

- Available to provide support, resources and guidance for individuals at any stage of recovery from substance use disorders
- Accessible by phone or secure email, and can meet in our office or elsewhere in the community — we will come to you!
- Knowledgeable about the signs/symptoms of substance use disorders, skilled at assessing and addressing an individual's unique needs and experts on coordination of care.
- Access to First Call's extensive database of area resources allows for facilitated scheduling of appointments with other providers.
